Mount Vernon Township High School

PROJECT GRADUATION CLASS OF 2010

This spring another outstanding class of young people will graduate from Mt. Vernon Township High School. Project Graduation will provide a safe, chaperoned alcohol, drug-free event for the senior class to celebrate their successful completion of high school.

To make this event possible, monetary contributions are needed to finance the transportation, facility rental, entertainment, food and prizes. We also welcome the donation of attendance prizes that could be given to reward those who participate. Please help this worthwhile tradition to continue and let our graduates know how proud the community is of their attaining this goal.

Thank you for supporting our community's youth, the leaders of our future!

Respectfully,
Project Graduation 2010 Committee
