Access to Electronic Networks/Internet Safety Policy Staff Acknowledgement Form

November 20, 2007

To: All District Staff

In order to receive access to the District's electronic network, employees must receive a copy of the District's *Access to Electronic Networks & Internet Safety Policy*. This MVTHS Board of Education-approved policy describes appropriate use of District network resources as well as the potential consequences of policy violations.

The employee must sign this *Access to Electronic Networks & Internet Safety Policy – Staff Acknowledgement Form* and return it to the CTE Office (F101) by Friday, December 14, 2007.
