Dear MVTHS Parent or Guardian:

For over one hundred fifteen years, the Vernois at MVTHS has captured the essence of each school year, and this year will be no different. Despite the unusual circumstances of this school year, the Vernois yearbook staff at MVTHS has worked hard to capture experiences, activities, and moments that have occurred during this pandemic hybrid year. **Vernois 2021** will include memories from Academics, Student Life, Organizations, and Athletics, in addition to individual staff and student portrait shots, group photos, and special Class of 2021 senior coverage.

MVTHS is fortunate to continue to offer **Vernois 2021** in the 9" by 12" university-sized yearbook that is printed in full color. **Vernois 2021** will arrive in late summer and be ready for pick up in August. Information about distribution will be shared on the high school's website and on social media outlets.

We don't want your student to be left out. We have extended the opportunity to order a copy of **Vernois 2021**, and we hope you will take a moment to order today. Details of how you may order are listed below.
